

Memorandum

To: Members of the Administration Committee

From: Mayor David Weiss
Jeri E. Chaikin, Chief Administrative Officer
Sandra Middleton, Human Resources Director

Date: May 9, 2023

Re: **Appropriation of Medical Mutual Wellness Reimbursement**

Medical Mutual of Ohio (MMO) administers the City's self-insured healthcare plans. Along with processing medical, dental and prescription claims, MMO also assists the City with wellness initiatives.

For 2022, MMO agreed to provide the City up to \$5,000 in reimbursement for various wellness items and events. The City has submitted documentation for the full \$5,000, which included \$899 for COVID tests, \$2,830 for flu shots and \$1,271 from the Welcome Back (after COVID) Luncheon.

MMO has sent the \$5,000 reimbursement check, which has been deposited in the General Fund.

It is requested that the Administration Committee recommend that the Finance Committee and City Council authorize the appropriation of the \$5,000 into the 10179901-512902 account for 2023 to be used for employee events, such as the Employee Recognition Program and Winterfest.
